FLEHA Board of Directors General Election 2023

Our Board of Directors

Folsom Lake Estates is a highly desirable neighborhood, admired for our architectural variety, large lots, lovely mature trees, relaxed ambiance, and proximity to Folsom Lake. Our homeowners association, "FLEHA," is run *BY* and *FOR* residents, and led by a Board of Directors. The Board consists of five elected member residents, each serving a two-year term. (Please see the front page of this newsletter for a listing of our current Board members.) Two of the Board positions — Secretary and Member-at-Large — are up for re-election in January 2023. The Board is eager to welcome new, qualified Directors to the team.

Board members work diligently for our community to help ensure that our Bylaws are upheld, that our association is in compliance with Davis-Sterling HOA regulations, and that community concerns are addressed, so that we continue to be proud to call our neighborhood home. They attend 10 Board meetings per year, maintain the park and the three neighborhood entrances, perform an architectural review process, and coordinate several annual social gatherings, including our December 24th luminary lighting (see page 4 for more details).

Running for the Board

Homeowners who are Unit 2 FLEHA members (i.e., those who are REQUIRED to pay \$300 annual HOA dues) are entitled to vote and run for the Board during the 2023 Board election. If you'd like to throw your hat into the ring, please complete the attached "**Notice of Desire to be a Candidate**" form (next page) and return it to FLEHA **by December 12**.

Uncontested Election of Directors

Please note that per Section 7.06 of our Revised Bylaws, (available at www.fleha.org, under "Legal Docs" tab): "If after the close of nominations, the number of qualified people nominated for election to the Board of Directors is equal to or less than the number of directors to be elected, then those nominees who are qualified to be elected to the Board are deemed elected." In other words, if only two qualified FLEHA members run for the two available Board seats in 2023, then we will not need to hold a Board election. If we receive more than two nominations for the two seats, then election materials will mail to Unit 2 members after January 1, and the results will be announced in March 2023 at our annual General Board Meeting.

Luminaries

A Neighborhood Tradition

The Luminary Lowdown

FLE's biggest neighborhood event is the December 24 luminary lighting, a tradition that began in 1983, and which draws visitors from all over the region to see our breathtaking display of candles and decorated homes. Our volunteer squad of luminary Captains and Key Workers, led by Joe Blair, organize the purchasing and distribution of supplies for the entire neighborhood. Please join your neighbors in this holiday tradition, and help the luminary volunteers by ordering your candles and bags early.

Luminary Logistics

- ◆ Your luminary Key Worker should contact you by early November to obtain your order.
 - ◆ Homeowners typically purchase one or two sets, depending on property size.
 - ◆ Cost is \$32.50/set (72 candles & bags).
 - ◆ Orders and payments are **due by November 7** (check or cash only).
 - ◆ Your luminaries will be delivered to you in early December.
- ◆ We recommend that luminaries be assembled by mid-afternoon on December 24, so that they're ready to light at sundown. That involves:
 - ◆ Picking up a supply of sand from the FLE park on/after December 23;
 - ◆ Folding down the tops of the bags to form a "cuff" so that they don't collapse and burn;
 - ◆ Inserting a layer of sand and one candle in the bottom of each bag;
 - ◆ Arranging the bags/luminaries around the perimeter/driveway of your home;
 - ◆ Lighting the candles at dusk.

Then tour the neighborhood to enjoy the sparkly sights!

Want to Earn Extra Holiday Cash? Be a Luminary Worker!

To be included on the "Luminary Workers" list (**and earn \$40/luminary set**) send your name/ phone/email to: **info@fleha.org by December 1**. FLEHA will distribute the list via email so that residents may hire a neighborhood helper to set up, light, and remove their luminaries!

Santa & Company — Stay Tuned for Updates

As of the date of this newsletter's publication, the Fire Department has not yet confirmed their plans for a Santa event in 2022. FLEHA is considering holding its own neighborhood event on Christmas Eve.

Details will be shared with the neighborhood once logistics are settled. Updates to follow!

**Folsom Lake Estates Homeowners Association
Board Meeting September 15, 6:30pm
6485 Oak Hill Drive, Granite Bay**

IN ATTENDANCE

- **Board Members:** Nicole Howe, Jennifer Makol, Marcie Shelton, Sharon Russo, and Chris Vadnais
- **Unit 2:** Susan Moss, Susan McCune, and Garen McCune
- **Unit 1:** Walt Worthge

OPEN FORUM/HOMEOWNER COMMENTS: Unit 1 resident Walt Worthge pointed out that the Neighborhood Watch signs require attention. The Board approved a budget of \$100 for Secretary Vadnais to make necessary repairs.

Unit 2 resident Susan McCune requested the Board's permission to hold a 2023 spring garden tour, (on a Saturday or Sunday, for approximately five hours), for FLE residents only, at the home of Val McMichael. The Board approved and offered support with volunteering and promotion of the event. If the first event is successful, perhaps in subsequent years it can be expanded to include tours of gardens in additional FLE homes.

REVIEW OF APPROVED AUGUST 2022 GENERAL MEETING MINUTES: No changes.

TREASURER'S REPORT: The current balance stands at approximately \$164,000, including \$104,580 in the Reserve Account, which fully funds the budget, per CA HOA laws. The balance is approximately \$3,000 less than the same time last year. Expenses incurred since the previous budget report were approximately \$2,800, leaving accounts in good standing. Treasurer Shelton projects that by year-end FLEHA will have a budget surplus of ~\$5,000.

COMMITTEE REPORTS:

Architectural Review: No updates.

High-Speed Internet: No updates.

Park: Water fountain -- Committee Chairman Walt Worthge dismantled the water fountain and determined that the unit works, but is not draining properly. He suggested digging a 2-foot-deep, 6' x 6' dry well to facilitate proper drainage. Worthge offered to complete the work in October, along with Secretary Vadnais and other resident volunteers. The only costs will be the required gravel and Trex border material. A motion was approved for a \$300 budget. Any surplus gravel will be added to the parking area. Bridge project -- Worthge will monitor the situation once it rains, to determine if a bridge is required, and the Board will revisit the subject at that time.

OLD BUSINESS

Survey: No update.

Homeowner Plantings Impeding Road Safety / Visibility or Causing Fire Safety Issue: The Board sent notifications on September 9 to four more Unit 2 homeowners – three pertained to fire safety issues and one to visibility. Of the four recipients, two have already resolved the problems on their properties, one has responded with an explanation, and the fourth hasn't responded yet. The balance of the Unit 1 and 2 notification letters will be sent out over the next two months.

Barton Road "No Dumping" Signage: A \$100 budget was approved to purchase four signs, which Vadnais will mount on trees on the parcel.

BBQ / Concert in the Park: Promotional signage was posted around the neighborhood on September 24. Three event promotional e-blasts have gone out; additional e-blast reminders will be sent one week prior and one day prior to the event. The e-blasts will include reminders that all FLE residents are invited to the BBQ and concert, and guests are welcome to attend the concert. Treasurer Shelton requested approval to order two porta potties for the event (at a total cost of approximately \$330); the motion passed unanimously. VP Howe will create an Evite to solicit RSVPs by 6pm on September 21; the RSVP link will also be included in the next eblast reminder. Glow sticks will be provided to the kids in attendance. Admin will ensure that the water is turned off on the soccer field the day before and will request a neighborhood patrol from the sheriff's department during the event.

Barton Road Weed Abatement: After much back and forth with Jeff Ingolia, the SPFD Fire Marshal, we're getting closer to clarifying whose responsibility it is to clear the Barton Road frontage between Oak Hill and the FLE common area (which FLEHA recently began clearing annually). Other than the walking trail along Barton, (an easement maintained by the County), plus one parcel whose ownership Admin is attempting to clarify with the County, it appears that the homeowners whose properties back to the frontage are responsible for clearing that land, since their lots extend all the way to Barton Road. Admin will request that SPFD send letters to the affected homeowners informing them of their responsibility to address the fire safety issue on their properties. If SPFD is unable to accommodate that request, Admin will send fire hazard letters to those owners.

NEW BUSINESS

HOA Neighborhood Notifications: No action required from FLEHA. Residents should continue to use NextDoor to promptly notify each other of incidents in and around the neighborhood.

Petty Cash Account: Admin will maintain a petty cash account to hold cash received for such items as sports court keys. The cash will be deposited in the FLEHA bank account the next time a check deposit is required.

The meeting was adjourned at 8:00pm, 5/0/0

OPEN FORUM/HOMEOWNER COMMENTS: N/A

REVIEW OF APPROVED SEPTEMBER 2022 GENERAL MEETING MINUTES: No changes.

TREASURER'S REPORT: The current balance stands at approximately \$157,000, including \$104,580 in the Reserve Account, which fully funds the budget, per CA HOA laws. The balance is approximately \$3,500 more than the same time last year. Expenses incurred since the previous budget report (September 2022) were approximately \$6,900, leaving accounts in good standing. Treasurer Shelton began work on the 2023 budget and discussed possible changes to certain line items with the Board. The Board agreed to assess the FLE park for potential 2023 repairs, improvements, and investments and discuss their findings, vis-à-vis the 2023 budget, at the November meeting.

COMMITTEE REPORTS:

Architectural Review: A homeowner submitted plans to build an ADU. The plans were approved by the Board because they met all of FLEHA's architectural review requirements, including the setbacks delineated in the CC&Rs.

High-Speed Internet: Bart Zitnitsky will contact Dieter Wittenberg of Placer County and Wave/Astound for an update on the bidding process, as the first milestone of this process should occur this month.

Park: Walt Worthge awaits rain to soften the soil in order to address the water fountain project. Homeowners will be reminded, via the next newsletter and a new sign, (metal, to be bolted to the wooden park entrance sign), that reservations are needed for group events, and that only FLEHA members can reserve the park (only the soccer field and picnic grove can be reserved).

OLD BUSINESS

Survey: Secretary Vadnais will complete the survey by next month's meeting.

Homeowner Plantings Impeding Road Safety / Visibility or Causing Fire Safety Issue: Since the previous Board meeting, notifications have been emailed/mailed to 13 additional Unit 2 homeowners. A few have already acknowledged and/or addressed their issues; the balance have until either 10/28 or 11/5 to respond or resolve the items, depending on when their notifications were issued. An additional seven Unit 2 and six Unit 1 homeowners will be sent notifications over the next few weeks.

Barton Road "No Dumping" Signage: Vadnais will handle this by next month's meeting.

BBQ / Concert in the Park: Overall, attendees provided very positive feedback about the event. The Board recommends holding it again in early fall next year, with the following changes: dinner 5-7pm; concert 6-9pm; include some form of lighting; more upbeat and kid-friendly music; probably only 1 porta potty; order food online from Costco and arrange delivery directly to the park.

Barton Road Weed Abatement: It has been confirmed by Placer County via Jeff Ingolia, Fire Marshal, that the lot in question, #37 on the County map, is owned by the County. Ironically, the County admitted that they don't always conduct fire safety clearing on every parcel they own. On those that they do clear, they only provide the bare minimum required under the Placer County Hazardous Vegetation Management Ordinance, which mandates that a 100-foot defensible space be maintained around all habitable structures plus 10 feet off roadways. Jeff advised that it might be in the best interest of FLE to maintain the area ourselves. A quote is being requested for the work from Folsom Landscape Maintenance.

NEW BUSINESS

Luminary Supplies and Costs: The white luminary bags are in scarce supply this year and probably being phased out. Joe Blair tracked some down, but the supplier won't guarantee the price until our order is placed. Joe has provided order forms to his luminary captains with the price of \$32.50/set of 72 candles and bags (in 2021 they were \$26/set); orders will be due by 11/7. If these new prices don't cover FLEHA's costs, the HOA will need to cover the loss. Joe is investigating different options for 2023 and hopes to have some samples to show the Board by the November meeting (e.g., reusable bags; battery-operated tea lights; etc.). The Board approved raising the rate for luminary workers to \$40/set.

Board Meeting October 18, 6:30pm
6485 Oak Hill Drive, Granite Bay

Social Events for 2023: To be discussed at the November meeting, in conjunction with a review of 2023 budget allocations.

HOA Dues Increase: The Board approved increasing Unit 2 annual HOA dues to \$300, effective immediately. Dues are always due by February 1.

Board Election 2023: Election information, including a "Notice of Desire to be a Candidate" form, will be included in the next newsletter.

Santa 2022: The SPFD has not yet disclosed whether they will host a Santa event again this year and, if so, when or how it will be done. Last year's neighborhood drive-through in early December was not a fan favorite. The Board expressed interest in mounting a FLE Santa event of our own, on December 24. Admin will inquire with our resident Santa, and the Board will investigate transportation and other logistics.

The meeting was adjourned at 7:40pm, 4/0/0.
